INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Personally appeared before me Mr. Badger,
a Notary Public U. S. District, Circuit V^o R^o D #1
and after being duly sworn deposes and says
that he is 71 years old and has lived in
his Community all his life. That he
knew about Barnes and his wife Norma (Stunt)
Barnes, having lived in their immediate
neighborhood until their death about 30, or
40 years ago and were buried near the foot
of the Blue Ridge mountains, that they had several
children, among them being Samuel Barnes,
Joseph Barnes, Maggie (Barnes) Howie and
several others.

But when Barnes was a child, he
 was called upon to look at his
 mother's appearance. He was, of course,
 a white Indian - but, in his mind, that his
 father was Barnes was not a very dis-
 tinctive of a Cherokee Indian, that
 it was the general understanding and talk
 of the community that the Barnes family
 was mixed with Cherokee Indian and
 this fact Affiant never heard disputed
 That Affiant was born in 1830 and
 that as long as he can remember

They were said to be mixed with the Cherokee
Indians. That Arner Barnes lived in
Patrick Co. Va. long ago and I cannot
remember

that the claims associated with the white
people, although they were recognized as mixed
with the Cherokee Indians.

That I don't know of any more to be added
to the existing claims,

I live at Mt. Airy, N.C. I am 34 years of age, and was born in Yadkin County. I claim Indian blood through my mother, Frances Hill, nee Prather. Her Indian blood came through her mother, Polly Hill. My grandmother, Polly Hill, was born near Mt. Airy, N.C. My father was a colored man, and not an Indian. He was a slave, but my mother was a free woman. I knew my grandmother, and when I was a boy about ten or twelve years old, she was about 70 or 80. I have never heard my mother speak of receiving any money, or being enrolled as an Indian. I have heard my mother say that she was an Indian, and how she had been mistreated all of her life on account of being an Indian. My grandmother was never held as a slave. I do not know whether my great grandmother was ever held as a slave, but I do not suppose so. I have never been enrolled as an Indian or received any money as one. My mother said she belonged to the Cherokee tribe. My uncles, Joe and Hewitt Hill, fought in the late war, and one of them was killed in the war, and the other came home and died. I do not know anything about my grandmother's parents. I do not know to what race my grandmother's husband belonged. Since the War we have passed as colored people.

Dear Sir: In reply to your letter of the 8th
will say that the only reason I know
why my father Robert Dixon was not
enrolled is because no one was ever
in the county so far as I ever heard
of to enroll the Cherokee Indians.
My Grandfather and Grandmother
were not enrolled for the same reason
I suppose. My Grandparents never
lived with the Cherokee that I know
of. I do not know whether they were
recognized by the Cherokee or not.

My father Robert Dixon went before
you at Pilot Mountain N. C. some

DRUCINDA SNOW, being first duly sworn, deposes and says:

My name is Drucinda Snow; I live near Ft. Airy, N. C.; I am 67 years old. I was born down here on the Tararac River; I always lived in Surry Co. My grandmother was Indian; that was my father's mother. My mother was born free. I was free. My grandfather was stole from Africa. When he became a man, he bought himself. My father helped pay for his father. My mother was a colored woman; she was white on her mother's side, her father was a servant. My father's father was stolen from Africa, and he married an Indian, and, therefore, my father was a free man, and helped buy the freedom of my grandfather. My grandmother on my father's side was born, I suppose, in Halifax Co., Va., and they moved down here. I never knew my grandmother on my father's side. I have heard my father speak of his father; I have heard him speak of his mother, but don't know what her name was. I have heard father say that she had Indian blood. I never heard him say what kind of Indian. I have been known through the community as a colored woman.

Relative to your application for participation in the distribution of the Eastern Cherokee Land, kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Eastern Cherokee tribe, and were they recognized by the Indians as members of the tribe? Were they admitted to tribal councils?

Where did your grandparents reside in 1841?

Were you and your parents ever held as slaves? If so, were you owned by White people or Indians?

Madam:-

Relative to your application for participation in the distribution of the Eastern Cherokee fund, kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Why were your grandparents never enrolled with the Eastern Cherokees? When did they leave South Carolina to Georgia?

Were your parents held as slaves? If so, were they owned by White people or Indians?

Respectfully,

Special Commissioner.

Sir:--

Relative to your application for participation in the distribution of the Eastern Cherokee Fund, kindly advise this office why you were not enrolled with the Eastern Cherokees in 1871.

Why were your parents not enrolled with the Cherokees at that time?

Were you and your parents ever recognized by the Cherokees as members of their tribe? Were you admitted to tribal councils? How long has it been since your ancestors lived with the Cherokees as members of that tribe? Then did you, or your people, move from North Carolina to Mississippi?

Did any of your immediate relatives ever live in any way to the Indians? If so, please give their names and state when and where said persons were born.

Respectfully,

Special Commissioner.

J. F. M. Colston being first duly sworn deposes and says;

My name is J. F. M. Colston, and I in Marshall County, Miss.

I am 63 years of age. I was born in Ashe County, N.C. I left there when I was a child. I went from Ashe County, N.C. to Cass County, Ga. I lived in Cass now Bartow County, Ga. I left there after the war. In 1870 I went to Marshall County, Miss. where I've lived ever since. I claim my Cherokee Indian descent through my mother, Jancy Morgan. She was an old woman at the time of her death. She died in Bartow County, Ga. in 1876. She left Ashe County N.C. in 1848 or 1849. From what I have been told my mother was about half Indian. Her name was Polly Finch. Polly Finch died in Ashe County, N.C. She died about 1869 I think. I am not sure just how much Indian was in my grandmother Polly Finch. I am sure that there was some Indian, she claimed Cherokee and seemed to be proud of it. My mother always said we would get something some day and claimed it until the last, but I do not think we ever got anything. She, Polly Finch, passed as a white person, but she visited some among the Indians, and they visited her. xixx Polly Finch married a Morgan, a white man. I know Catherine Bell, #33045, she is my sister.

Answer:-

Relative to your application for enrollment in the distribution of the Eastern Cherokee land, I fully advise this office why your grandparents were not enrolled with the Eastern Cherokees in 1831 or 1835. Do you claim Cherokee blood through both your father and mother?

Were your grandparents recognized by the Eastern Cherokees as members of the tribe? Were they admitted as tribal councilors?

Did any of your immediate ancestors ever share in any payment to the Indians? If so, where and for, and what are the names of such ancestors?

Were your grandparents born as slaves of Indians, were they owned by white people or Indians?

Respectfully,

Special Commissioner.

Dear Sir:

Referring to Eastern Cherokee Claim No. 34185.

I am not answerable at present for want of the necessary data. In fact the answer is as follows:

I claim Cherokee blood through my mother only.

If any of my immediate ancestors ever shared in any payment to the Indians, I have no knowledge of it.

The questions you ask me have, I suppose, been satisfactorily answered by the Cornsack & Bilger generations & if their claims hold good of course mine would, if their part is warranted.

I will obtain the information if possible & forward same to you.

Sincerely,

Sir:-

Relative to your application for participation in the
land claims from the judgment of the Court of Claims in favor
of the estate of Charles I. Dole, kindly advise this office
why your name was not included with the list of claimants
in 1861.

Why were you not prominent in the list of claimants
to the land claims?

How did your ancestors have the land to be set
aside?

Were your ancestors mentioned in the records of the
land? Were they entitled to the land?

Did any of your relatives ever live in the
land to which the claim is made?

How was your claim made? Was it by deed, or by
other means?

Respectfully,

/s/

Sir:-

Relative to your application for a writ of habeas corpus in the
Federal Circuit Court the first part of the Court of Claims is
in favor of the Eastern Cherokee Indians. Kindly advise this
office whether your grandparents were ever enrolled with the
Eastern Cherokees. Were they ever taxed by the Cherokee
as members of the tribe?

When did your ancestors remove from the tribe?

Did any of your relatives ever charge in any way to
the Eastern Cherokee Indians?

Were any of your ancestors held as slaves? If so,
were they ever or while owned as such?

Respectfully,

Pr. 1. #342: 6-33935

Mary E. Beall being first duly sworn, deposes and

says:

My name is Mary E. Beall. I live at Lamonte, Mo. I was born in 1850. I claim relationship to the Eastern Cherokee tribe of Indians through my husband. I claim for my children as well as myself. At the time I filed this application I had ~~one~~ child under 21 years of age. I think they all filed paper to applications.

My husband was born in 1830. His name was Wm. E. Beall. He was born in Ky., I think. It was his father that was related to the Cherokee Indians. His name was Liddleton Beall. He lived in Ky. in 1830. He died in Ky. I don't know whether my husband ever lived with the Cherokees as a member of the tribe. I could not say whether he was ever enrolled. I have heard him speak of the Treaty of 1835. He used to talk about putting in his claim for his rights. It seems to me like I have heard my husband speak of the enrollment of 1851. My husband looked more like an Indian than he did like a white person. He was about 1/2 Indian. After the Indians were driven away, he lived ~~xxx~~ among this people. I have heard him speak about being at the Indians' camp. The Indian camp was in Johnson Co., Mo. He, my husband, moved to Mo. in 1850. I think he always had lived in Ky. until he came to Mo.

Samuel B. Sizemore, being first duly sworn, deposes and says:

I am 59 years of age; was born in Hickson County, Tenn.; have lived in Tennessee all my life with the exception of a couple of years in the West. I claim Cherokee Indian blood through my father. My father was born in Halifax County, Va. I do not think he ever lived with the Indians. He never received any Indian money from the government that I know of and I have never received any. I have never before tried to get any. About twenty years ago I thought of filing a claim in the Territory but never did. I have never lived with the Indians. I never heard of Peter, the enrolling agent in 1884. None of my brothers or sisters have made a claim that I know of. My brother, S. B. Sizemore, lives in this county. When I sent him a blank to make a claim he said there was nothing in it. My father told me that his grandmother was a full blood Cherokee Indian. I never heard of Ned Sizemore until the Commissioner wrote me about it. My grandfather had seven sons. My father came West and the others went back into North Carolina, Georgia and Alabama. I have never heard of the White Top Land nor of Chief Stevens of the White Top Land.

COURT OF CLAIMS

Rec. NOV 11 1907
No. 722

Humphreys County. () Application Number 34232 in the matter of
 () Samuel B. Sizemore to participate in the
 () Eastern Cherokee Claim.

Application Number 34232 in the matter of Samuel B. Sizemore to participate in the Eastern Cherokee Claim.

Samuel B. Sizemore personally appeared before me a Notary Public in and for said County and State on this the 8: day of Nov 1907, who being duly sworn deposes and says;- That he had the following full brothers and sisters to wit;- Richman Baker Sizemore, William Sylvester Sizemore; Rufus Hicks Sizemore, Benjamin C. Sizemore, Green McFerrin Sizemore, James Moore Sizemore, Daniel Lafayett Sizemore, Jones Wesley Sizemore, David Clifton Alexander Sizemore, and affiant S. B. Sizemore. Mary Ann Sizemore, who married J. L. Hatcher, (and is dead) Sarah Ann Sizemore, (married Sam Armstrong first, and he died, she then married Dave Sherman, who is also dead) when last heard from she lived in Downey City Cal. Martia Masoura Sizemore, who married Nathan Harris, and she is now dead and leaves no children.

All of affiant's brothers are dead, except Benjamin C. Sizemore, and Green McFerrin Sizemore.

Affiant further states, that his father J. M. Sizemore, had a brother named Edward Sizemore, and a Great Uncle by the name of Edward Sizemore. This is from family reputation. Affiant has no record of it, and has only heard it spoken of in his family. He does not know nor never has heard any thing as to the relationship existing between Affiant's Grand Father William Sizemore and Ned Sizemore (commonly called Old Ned Sizemore) Unless one of the Edward Sizemores spoken of before was the person called Ned Sizemore. Affiant states that he knows nothing further of Old Ned Sizemore, than above stated.

Does not know where he lived, where he died, the names of his brothers and sisters, or of his wife, nor any of his children.

As to William Sizemore affiants Grand Father, he states that his best information is, that he didd in or about Nashville Tenn.

I know nothing as to his brothers and sisters, except that I have heard my Father speak in his life time, of having an Uncle Edward Sizemore, who was likely a brother of the said William Sizemore.

My Great Grand father, the father of William Sizemore then reputation
came to this Country from Wales, and settled in Va. but what his name

was I can not state. But the history in the family is that my Grand father William Sizemore moved from Va. to Nashville Tenn. in an early day but affiant can not give the definite date. This affidavit is made in answer to the communication of Guion Miller, Special Commissioner. Dated Oct 24" 1907.

Affiant further states, that he is informed by A. J. Rogers a man of considerable age, that a great many years ago, James M. Sizemore the father of affiant told the said Rogers, that he was part Cherokee Indian, that his Grand mother was a Cherokee Indian And that the said J. M. Sizemore told him (Rogers) that when he was a young man, he was a blacksmith, and helped to shoe the Cavalry horses of the American Troops when the left Nashville Tenn. to go into the Florida War against the Seminoles, and that he was not pleased at the way the Indian was being treated on account of his blood. The said Rogers lives near Waverly Tenn. this being his post office.

Affiant further shows, that he can establish according to his belief by other reputable proof that is was the reputation in the family that affiants Great Grand mother was a Cherokee Indian.

India :-

You claim a right to participate in the distribution
of the Eastern Cherokee Fund through your grandfather, Sarah
Guzman, nee Hicks, who you state lived in Texas, N.C.
in 1881. Why was she not enrolled with the Eastern
Cherokees?

Why was your father not enrolled with the Eastern
Cherokees in 1881?

Did your father or your grandfather live with the
Eastern Cherokees as members of the tribe? Were they so
recognized by the tribe? Was your father admitted to tribal
councils?

State when your ancestors removed from North Carolina
to Indian Territory.

Are you a full blood Cherokee?

Have you been enrolled by the Bureau of Indian Affairs,
give your number and indicate on the roll your name and age.

Were any of your people enrolled with the Old Cherokee?

Did any of your relatives share in any payment to
the Cherokee? If so, state their names.

Sarah C. Gibson being first duly sworn, deposes and says:

That I am 56 years of age. I claim my Indian descent through my father. My mother was a white woman. My husband is a white man. My mother was born in 1815. She was born in Forsythe Co., N. C. My father was born in 1806 in Forsythe Co., N. C. About 1830 or before, the tribe of Indians there in East North Carolina moved to and settled in the western part of the state. My father went with them and was taken down with the rheumatism so he could not go West with them when they went to the Territory in 1835 or 1837. He died there in Watauga Co., N. C. That is where I was born. My father lived with the Indians as a member of the tribe until they left him and came West. He was never on any roll and I don't know why. Cuzzons is the name that he always went by. He had no Indian name. He claimed to be 1/2 Cherokee. My father claimed Indian through his mother, a full blooded Cherokee. She died somewhere in 1868. She was left in the eastern part of N. C. because she was old and could not travel. After I was married I came West and at Ft. Gibson I met a first cousin of my father, Lewis Hicks, who recognized me as one of his family and also a member of the tribe. He was enrolled in the Cherokee Nation. He is dead. In 1896 I filed application to the Dawes Commission at Sallisaw. I never heard anything of it. I am recognized as part Indian in the community where I live. My grandmother had a brother named Jay Hicks. She might have had another named John Hicks. My father never applied to the government for land or money. There were no Indians living there where my father was in 1835. I think that Jay Hicks came West with the Indians. He died in the West. John Kelly Gibson is my oldest son and his wife is a white woman.

Were you sold as a slave if so, who you owned by this people or Indian?

Were your parents, or grandparents, removed by the East on Cherokee to be enrolled in the rolls? Why related to tribal matters?

Dear Sir:

A letter written by you on the 10th day of June, this year, to Winfield S. Ragan of Wahitlisa, Oklahoma, has been handed to us by Mr. Ragan for attention. In that, you say that on May 28, 1909, his application #34245 for participation in the funds arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, was rejected, and that the Court on the 10th day of June, 1909, entered an order providing that exceptions should be filed to this report on or before the 30th day of August, 1909.

We informed Mr. Ragan that we thought he was too late to file exceptions, or have this case re-opened. So we write to find out if now the proper exceptions could be filed, or whether or not this matter could be re-opened, and give Mr. Ragan an opportunity to prove his claim. Please let us hear from you.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851 and why those of your ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Have you or either of your parents ever been held as a slave? If so, state whether you or they were owned by white people or Indians.

Do you claim any Indian descent through your mother? If so, give the names of her parents and brothers and sisters. Also furnish us with the names of your father's parents.

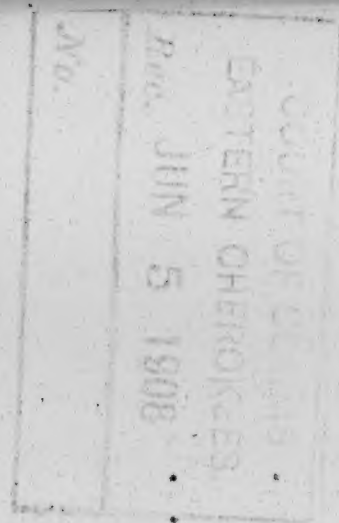

Did you or any of your ancestors ever reside with any Indian tribe? If so, state when and where, giving the county and state, and what part (if any) they took in their tribal councils. Also give the name of such tribe.

Very respectfully,

John Miller

Special Commissioner.
